Resolution Commending Arizona Federation for Convention Hospitality

WHEREAS the Arizona Federation of Democratic Women has welcomed all of us to the NFDW 47th Annual Convention with the warmest Southwestern hospitality and provided a venue conducive to camaraderie and vibrant exchange of ideas.

WHEREAS the events, guest speakers, breakout sessions, and table conversations have been enriching and inspiring, focusing on our united belief in the worth of every human being and drawing on the wisdom that “a house divided against itself cannot stand” in order to preserve our country and our place in the world.

WHEREAS the Arizona Chairpersons worked for many months, collaborating with the NFDW Committee Chairs to organize this Convention that encourages us all to “Stand Up and Stand Together” and return to our states determined to work even harder for issues and candidates that advance democratic and Democratic values.

THEREFORE, BE IT RESOLVED that the NFDW declares our gratitude and warm regard for the Arizona Federation and will encourage women in our home states to attend future conventions as NFDW continues to “Show Up, Stand Up, and Speak Up.”
