

ACTION ALERT

September 16, 2019

From NFDW President Cindy Jenks:

NFDW Members are requested to call their members of the U.S. House of Representatives and ask them to vote for H. R. 51. This legislation will give statehood to the District of Columbia.

“Our members must call now because there is a hearing on Thursday, September 19 at 10 AM. We stand with our sisters and brothers who live in DC. They pay taxes, but they have no representation in our government,” said President Jenks.

NFDW has repeatedly adopted resolutions calling for making the District of Columbia our Fifty-first State.

“The time is now for Congress to do the right thing and pass this legislation. It is time to end this taxation without representation,” stated Jenks.
