

National Federation of Democratic Women

Resolution in Response to Idaho State Democratic Committee's Statement Prohibiting Women's Right to Vote

WHEREAS, the National Federation of Democratic Women was organized to support Democratic candidates, especially women candidates. We recognize that women must have a seat at the table.

THEREFORE, BE IT RESOLVED that the National Federation of Democratic Women strongly condemns the statement from the Executive Board of Democrats of Idaho regarding representation on the Board: "If we gave the women the vote, then we have to give everyone the vote."

BE IT FURTHER RESOLVED that the National Federation of Democratic Women strongly urges the Executive Board of Democrats of Idaho to assign 50% of the seats to women with full voting rights.
